Turning the tide on viral hepatitis

Friday 7 June 2024

We look forward to welcoming you to two Gilead-organised events at the EASL congress on Friday 7 June 2024.

Satellite symposium

Turning the tide on viral hepatitis

12:45–13:45 CEST | Space 1+2

Join an esteemed faculty to explore pan-viral learnings in the care of patients with HBV, HCV and HDV.

Pietro Lampertico
Italy, Chair

Dominique Thabut
France

Grace Wong
Hong Kong

Markus Cornberg
Germany

Satellite expert session

Turning the tide on HDV patient management

16:15–16:45 CEST | Meet-the-experts 1, Hall 3

Engage with experts for a deep-dive discussion into the practicalities of managing patients with HDV.

Pietro Lampertico
Italy, Chair

Jörg Petersen
Germany

These are Gilead organised and funded events in accordance with Italian regulations. These meetings are intended for healthcare professionals only. The speakers share their professional opinions throughout the events, which do not necessarily reflect the opinions of Gilead.

Registration

Allianz MiCo – Milano Convention Centre

MiCo Gate 2, Viale Eginardo – 20149 Milano MI – Italy

Main registration, EASL Members' Desk, Faculty Desk, and Press Desk.

Opening hours

Tuesday, 4 June	16:00–19:00
Wednesday, 5 to Friday, 7 June	07:30–18:00
Saturday, 8 June	07:30–16:30

Exhibition & Posters

Opening hours

Wednesday, 5 to Friday, 7 June	08:30–18:00
Saturday, 8 June	08:30–17:00

Exhibitors and poster presenters have special access from 08:00 to 19:00

Love Your Liver – Free Liver Screening

Visit the Love Your Liver area to get your liver screened free of charge during EASL Congress 2024 and learn more about the EASL community impact projects.

Location: MiCo Gate 2 entrance – Welcome Area

Opening hours

Love Your Liver

Tuesday, 4 June 12:00–18:00
Wednesday, 5 to Friday, 7 June 09:00–18:00
Saturday, 8 June 09:00–16:00

Free liver screens provided on a first come, first served basis.

EASL Community Hub

The EASL Community Hub is centrally located within the exhibition in Hall 3.

- Visit the **EASL Community Hub** to learn everything you need to know about EASL and renew or sign up for EASL membership.
- Join the EASL team during the morning coffee break or lunch to participate in the **EASL Congress Quiz**.

Track Hubs

- Join the Faculty for **Poster Tours** at the designated Track Hubs three times per day. The complete Poster Schedule is available in the Scientific programme.
- Looking to network? There are eight dedicated **Track Hubs** that serve as your meeting point to connect face-to-face with fellow delegates. Simply locate your track colour to meet with like-minded experts.
- Don't miss the networking sessions at the Track Hubs during lunchtime, where you can connect **with Experts and Key Opinion Leaders** from EASL Consortia and learn more about their work. The daily networking programme is available at the EASL Community Hub.
- Is the session room too busy? You can watch selected live and on demand sessions at the Track Hubs.

Meet-the-Experts, Skills Learning Centre, and Workshops

Please note that the seats for the Meet-the-Experts sessions, the Skills Learning Centre sessions, and Workshops are limited. Access to these sessions is at a first come first served basis.

Meet-the-Experts sessions will be streamed live at the Track Hubs and online through the event app. Note that interaction will not be possible for online delegates.

New at EASL Congress 2024

EASL Congress evolves every year. Make sure you don't miss the exciting new features in this year's event:

- Poster Tours will take place at dedicated Track Hubs. Grab a seat and engage in discussions about the best poster abstracts in each track.
- The top-ranking posters will be on display throughout the full four days of the Congress.
- More hands-on Skills Learning Centre sessions are available throughout the duration of EASL Congress.
- The EASL Congress wrap-up session will be available online following the Congress.

EASL Congress 2024 is interactive!

Use the EASL Congress 2024 app or scan the QR code below to participate in Q&A and voting.

EASL Congress 2024 App

All EASL Congress 2024 content can also be accessed through the EASL Congress App.

1. Download the "EASL Congress 2024" app from the Google Play or App Store.
2. Sign in with the email address and password used to register for EASL Congress 2024.
3. You can now access the EASL Congress platform through the App.
 - LIVE: watch live content.
 - Scientific Programme: browse the programme by day and bookmark the sessions you do not want to miss.
 - Industry Programme: browse the full industry symposia programme.
 - EASL Studio: watch the EASL Studio sessions live or on demand.
 - On demand: sessions will be available on demand a few hours after they have finished.
 - ePosters: browse all submitted posters.
 - Faculty: browse the list with Congress speakers.
 - Exhibition: visit the online exhibition to learn about our industry partners.
 - EASL: learn more about EASL.
 - Congress Documents: access the abstract book and PGC Syllabus.
 - Floorplan

What's your colour?

Follow the colour codes and icons throughout the programme to find sessions of interest to you.

Shining a light on unexplained cholestasis

Friday 7 June 2024 | 12:45–13:45 (CEST)
Allianz MiCo, Milano Convention Centre, Milan, Italy
Space 3, Level 0

AGENDA

Time	Session	Speaker(s)
12:45–12:55	Current understanding of adult-onset PFIC	Prof. Thomas Berg (Chair) <i>Head of the Division of Hepatology and Deputy Director of the Department of Medicine II, Leipzig University Medical Center, Leipzig, Germany</i>
12:55–13:10	Genetic variants associated with cholestasis in adult clinical practice	Dr Palak Trivedi <i>Associate Professor and Honorary Consultant Hepatologist, University of Birmingham, Birmingham, UK</i>
13:10–13:20	The challenge of clinically diagnosing adult-onset PFIC: A patient case	Prof. Filomena Morisco <i>Professor of Gastroenterology, University of Naples Federico II, Naples, Italy</i>
13:20–13:30	Building management strategies for adult-onset PFIC	Prof. Thomas Berg
13:30–13:45	Discussion and Q&A	All

Integrated Symposium of EASL Congress 2024. This promotional symposium is funded and organised by Ipsen, for healthcare professionals only. Prescribing Information and adverse event reporting details are available at the symposium.

PFIC, progressive familial intrahepatic cholestasis.

BYL-ALL-000686 | Date of preparation: April 2024

WE ARE IPSEN
WE ARE ORDINARY
PEOPLE WITH
EXTRAORDINARY
AMBITIONS FOR
RARE LIVER DISEASE

Our focus is on rare cholestatic liver disease and our ambition is to help people living with these rare conditions live life to the full, every day.

- Primary Biliary Cholangitis (PBC)
- Progressive Familial Intrahepatic Cholestasis (PFIC)
- Alagille Syndrome (ALGS)
- Primary Sclerosing Cholangitis (PSC)
- Biliary Atresia (BA)

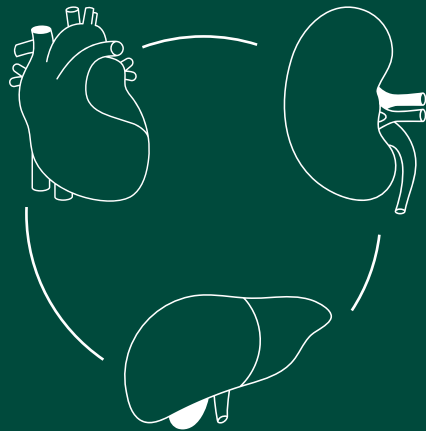

DRSC-ALL-002083 | Date of preparation: March 2023

Join the discussion on exciting new developments for patients with MASH

Check out the programmes for the Boehringer Ingelheim Satellite Symposia to hear more about the critical role of hepatologists in the prevention and management of MASH and Cardiovascular-Renal-Metabolic (CRM) diseases

Wednesday 5 June | 13:30–14:30 CEST | Space 4

Champions for the liver in an interconnected era – how can hepatologists reshape clinical practice to benefit patients?

Join Sarah Jarvis (UK), Emmanouil Tsochatzis (UK) and Sean Wharton (Canada) in a discussion on how CRM diseases are interconnected and the role of the liver, the importance of early intervention, and practical steps you can take to enhance the care of patients living with CRM diseases.

Saturday 8 June | 12:45–13:45 CEST | Brown 3

MASH in focus: novel insights on diagnosis, management and coordinated patient care

Join Mary Rinella (USA), Vlad Ratziu (France), Arun Sanyal (USA) and Jörn Schattenberg (Germany) to learn about the increasing burden of MASLD/MASH, and the exciting new research and novel mechanisms in the diagnosis and management of MASH.

Visit Booth L2 to learn more about Boehringer Ingelheim's dedication to liver research and CRM care
