Using your own template is allowed as long as it follows the oral presentation format rules below.

### Oral presentation format rules

- You will have 15 min for your presentation (12-minute talk + 3 min Q&A)
- Microsoft-PowerPoint (\*.ppt or \*.pptx) presentations with video formats will be accepted. Videos can be linked or embedded. Please remember to upload your video files separately if you are using PowerPoint 2007 or older versions, as they cannot be embedded into the presentation. Hyperlinks to external websites will not work.
- Screen ration 16:9
- Make sure your slides are in a single file only (no multiple PowerPoints files will be accepted).

Note: If you are using PowerPoint 2007 or older versions, please do not forget to upload all your video files as well, as they cannot be embedded into the presentation.

### Oral presentation conflict of interest disclosures

You will be asked to disclose any conflicts of interest and use of off-label products during the upload of your presentation. This disclosure will be shown automatically for 4 seconds before your talk.

There is no need to add a disclosure slide to your presentation.
