Poster presentation information

Poster templates

After acceptance of your abstract as a poster presentation, our poster provider *Poster session Online* will contact you by email providing you with a unique code to upload your ePoster in their system.
Download the poster templates here

Using your own template is allowed as long as it follows the poster format rules below.

Poster format rules

- PDF is the ideal format (Make sure the images have a good resolution)
- Microsoft PowerPoint (ppt) is also accepted
- Landscape format is mandatory
- Dimensions 140cm wide x 90cm
- Font recommendations: Arial, Arial black, Calibri and regular text size no less than 28 for the body of the different sections
- We do allow QR codes linking to <u>educational material only</u>. We do not allow any promotional material.

Tips:

- To check that information displays correctly on the final version, zoom into 100% and check all images, pictures, and graphs. It is better to use high-quality images and graphs when creating your poster
- Provide clear labels and headings for each section of your presentation to avoid confusion
- Don't stretch the images manually or quality will be lost once zoomed in

Posters printing:

- As an additional service tailored to poster presenters, our official poster provider *PosterSessionOnline*, offers a comprehensive package at a nominal fee of 25€ plus 21% VAT, covering the preparation, printing, on-site delivery, and mounting of your poster.
- If you <u>do not</u> wish for your poster to be printed by our official provider, don't forget that **submitting your ePoster is <u>still mandatory</u>**
- If you choose to print on your own, please note that **presenting a <u>printed poster</u> on-site is <u>mandatory</u> and that you should mount your poster at the designated time and board.**
- Please **<u>avoid using fabric</u>**, as the poster boards are not suitable for it. Fabric posters will not hold properly on the boards.

About the Poster area

- Each poster will be displayed on poster boards (paper) for one full day (Wednesday 27, Thursday 28, Friday 29 or Saturday 30 May 2026).
- TOP posters and late breaker posters will be displayed the entire time of the event.
- We strongly encourage poster presenters to stand by their poster during the morning and afternoon coffee breaks, for informal discussions.
- However, it is **<u>mandatory</u>** to stand by your poster during the **<u>lunch break</u>** as there will be a poster walk where members of the faculty will come and discuss posters.
- All Posters will be available electronically (ePosters) the entire time of the event on the conference platform.

Bursary

- Should you have been awarded a bursary (registration, full or nurses), **please make sure to check in at the poster helpdesk and <u>sign the presence form</u> on the day of your presentation**.
- **<u>Not signing the form will result in the cancellation of the bursary.</u>**

Want to take your poster home after the event?

Please note that you may collect your poster at the end of the day, starting <u>15 minutes before closing</u>. Posters not collected will be discarded. **If you wish to keep yours, be sure to pick it up on time.**

This does not apply to TOP posters and late-breaker posters, which **can only be collected at the end of the event**, *as they **will be displayed throughout the 4 days***.
